

Dear Friend of the JLGP,

In 2022, 8.3% of New Jersey residents and 10.9% of Pennsylvania residents reported being food insecure. This number is expected to grow in the coming year. The impact of this issue is far reaching with long-term outcomes related to increased chronic disease and poorer school related outcomes among children.

The Junior League of Greater Princeton (JLGP) is a local non-profit organization of more than 240 civic-minded women committed to improving our communities. JLGP volunteers have worked tirelessly for over 100 years to enrich the lives of underserved community members in Mercer County, New Jersey and Bucks County, Pennsylvania.

The JLGP's focus turned to food security in 2020 with a goal of eradicating hunger. Our programs are 100% volunteer-run and have resulted in countless families, women and children receiving service to improve their lives. Your generosity has made this possible.

We invite you to take advantage of one of our sponsorship opportunities and partner with us on our Spring Tea fundraiser on **Thursday, April 27, 2023 at 3pm, hosted at TPC Jasna Polana in Princeton, NJ**. Your sponsorship will enable the JLGP to continue to develop and implement these invaluable programs. Please see the attached sponsorship form for additional details. If you have any questions, please contact Kiyana Richardson, the JLGP's Development Manager, by email at development@jlgp.org or phone at 609.256.1471, option #4.

We thank you for your time and consideration.

Sincerely,

Alaina DeWitt
JLGP President

Dear Supporters of the JLGP,

Every spring, the Junior League of Greater Princeton (JLGP) awards scholarships to three young women who are high school seniors demonstrating a strong commitment to community service and voluntarism in our local service area. This year, we acknowledge and recognize our past awardees and honor and celebrate our new scholarship recipients. Over the years, our scholarship winners have exemplified leadership and voluntarism in their communities by donating their time and talent to various organizations and initiatives. From mentoring their peers and children, to promoting awareness of life-threatening allergies, to supporting local and international orphans, these young women have made (and continue to make) a strong impact on their neighbors and in their communities.

Support from friends, like you, has directly benefited these young women's lives and will benefit the lives of other women along their leadership journey. We invite you to join us as we celebrate these young ladies and their accomplishments on **Thursday, April 27, 2023, at 3pm, hosted at TPC Jasna Polana in Princeton, NJ**. Your financial contribution will enable us to continue this work and carry out our mission of *promoting voluntarism, developing the potential of women, and improving communities through the effective action and leadership of trained volunteers*.

We thank you for your continued investment into the next generation of women leaders.

With Gratitude,

Caroline Clouser, Spring Tea Co-Chair 2023

Katherine Stephens, Spring Tea Co-Chair 2023

The Junior League of Greater Princeton
