TRUNK OR TREAT FREQUENTLY ASKED QUESTIONS

What is Trunk or Treat?

Instead of children going from door to door to collect candy, they will go from trunk to trunk! In addition to trunk or treating, we will be partnering with HomeFront to host fall festival activities including but not limited to crafts, games, face painting, a costume parade, a trunk contest, music, food and prizes.

Why should my organization consider sponsoring a trunk?

Bringing a trunk will give your organization a wonderful opportunity to join other local businesses and non-profit organizations on an event that is sure to warm the hearts of all involved. More importantly, it will give the children of HomeFront the opportunity to enjoy some wholesome, autumnal fun in a safe environment.

Who can bring a trunk? What am I signing up for?

All are welcome! To ensure that the event is a success, we are relying on our community partners and local businesses to bring trunks. "Trunkers" will be asked to decorate their trunks, attend the event and supply wrapped candy to approximately 75 children. Visit our [Pinterest](#) board for some fun ideas!

Can I bring my children to the event?

This event is being held exclusively for HomeFront families. That said, children of trunkers are welcome to participate! **We do have a limit of 5 people per vehicle.**

What will happen if there is inclement weather?

You will be notified the morning of the event if there is going to be a cancellation due to weather. A rain date of Sunday, October 23rd has been set.

Unfortunately, I am not able to attend the event. Is there any way I can support it?

If you are interested in supporting the event but are unable to attend, you may make a financial donation that would go toward funding the event (purchasing candy, food, crafts and activities for the children; procuring music and/or a bounce house; etc.). Any extra proceeds from donations that exceed our expenses will be given to HomeFront.
